

TENDER FOR 90 SYDNEY TAXI LICENCES OPENING SOON

12 July 2018

The Acting Point to Point Transport Commissioner, Tara McCarthy, has announced that tenders for 90 Sydney taxi licences will open on 30 July 2018.

Tenders for the taxi licences will be accepted from midday on Monday 30 July 2018 through to midday on Friday 17 August 2018.

Once opened, details on how to access the tender will be published at pointtopoint.nsw.gov.au

This tender follows the determination by Transport for NSW in March this year to release 90 replacement licences in the Sydney Metropolitan area for the 2018/19 financial year. These licences will replace existing taxi licences that have expired or were not renewed.
