Introduction

This form is for a person seeking to transfer a taxi licence into their name (the transferee – Party B).

The first step in transferring a taxi licence is for the current taxi licence holder (or in the case of a deceased estate, the executor or administrator) to complete the Application for Transfer of a Taxi Licence (Party A) form and submit with supporting documents to the Point to Point Transport Commissioner (the Commissioner).

Once the ‘Party A’ form has been submitted, the transferee (the person to whom the licence will be transferred) will be informed by the Commissioner of the transfer levy payable (if applicable) and invited to complete the Application for Transfer of a Taxi Licence (Party B) Form (this form).

This form may be completed on-line by logging into the Point to Point Transport Industry Portal at www.pointtopoint.nsw.gov.au (login details are provided to the transferee once the Party A form has been submitted). The on-line version of this form allows the transferee to upload all required supporting documents and pay the transfer levy (if applicable).

Alternatively, this form can be completed off-line and submitted with supporting documents via email or post. For information on completing and submitting this form see the ‘how to complete this form’ and ‘lodgement’ sections below.

Whether submitting this form via email or post, the transfer levy (if applicable) must be paid prior to submission. For information on how to pay the transfer levy please see the ‘how to pay’ section below.

Transfer Levy

A transfer levy of 2.5% of the current market value of the licence is payable by the transferee on the transfer of the licence. The amount payable for the transfer levy will be provided by the Commissioner once the Party A form has been submitted. No transfer levy is payable in the case of a deceased estate as the new licence holder is entitled to the taxi licence under the will or on the intestacy of the current licensee.
