

Compliance Activities – November 2017 to July 2022

Key compliance activities reported on include:

- Advisory visits to service providers, which involve Commission staff providing advice and guidance to authorised service providers on compliance with the legislation
- Audits (documented evaluation of authorised service providers compliance with safety duties and standards)
- Vehicle inspections
- Notifiable occurrences (service related accidents or incidents that service providers must report to the Commissioner), in the following categories:
 - A - an accident or incident resulting in an injury being treated by an ambulance officer or at a hospital
 - B - a collision that prevents a vehicle being used to provide a passenger service from completing its journey
 - C - a mechanical or other fault that prevents a vehicle being used for a passenger service from completing the journey
 - D - an incident involving driver/passenger/intended passenger that results in complaint to police of sexual assault, indecent exposure, actual assault or physical threats or other intimidation
 - E - an incident involving driver conduct that results in driver charged with a major offence within Road Transport Act 2013
- Enquiries - complaints/non-compliance reports

(To note, figures provided reflect Compliance Activities as at the end of each month)
